Child Care Center Sets Open House Tuesday

The Hamlin Child Care Center will host open house Tuesday, Aug. 26, from 7:30 to 8:30 p.m. to show the public what has been accomplished during the first year of operation. Everyone is invited.

The center has 37 children enrolled at this time. Recent work includes interior painting.

At the open house visitors will have the opportunity to bring items to be auctioned Oct. 4 to raise money to support the center. The auction, featuring Rick Crowley and a professional auctioneer from Lubbock, will be held at the City Hall warehouse, east of City Hall. The auctioneers will furnish the equipment and will be donating their time.

Items are also now being collected at the Board of Community Development office. No clothing can be accepted. Farm equipment on consignment and commission will be taken for auction.

The public auction will take the place of the carnival held for the center in past years. Proceeds from the auction and the waste paper drive go exclusively to support the Day Care Center.

School Board Splits Bond Proposals Into Two Issues

The Trustees of the Hamlin Independent School District voted here Monday evening to submit two bond election proposals to the district's voters here Thursday, Sept. 11. The board voted to take the proposal for a track out of the general building proposal and submit it separately.

Under this arrangement

the voters will be voting on two propositions, the first would be to issue \$1,250,000 in bonds to construct the new school buildings and remodel some of the existing buildings and the second would be to issue \$75,000 in bonds to construct an all-weather track.

Because of an increase in

district values and the elimination of the track from the main proposition the tax increase needed to finance the bonds has been lowered from previous estimates for 40c per \$100 valuation to 36c per \$100 valuation. The track, if approved by the voters would require an additional 2c per \$100 valuation, making a total increase in rate of 38c per \$100 valuation if both propositions are approved by the voters.

The proposed building program would include a new middle school (junior high school) complete with a physical education plant and a vocational education facility, a 900-plus seat auditorium which would include a new band hall to serve both the new middle school and the high school; air conditioning of the three older buildings (elementary, reading center and primary); and converting the high school patio into a resource center.

The total building program to be voted on in Proposition Number 1 is estimated to cost the district \$1,750,000 with \$500,000 of this amount to come from the insurance settlement received by the district following the fire in March that destroyed the junior school building and auditorium.

The complete new middle school complex which would be located at the site of the present Little League Ballpark is estimated to cost about \$1,050,000. The auditorium and band hall

would be located between the middle school and high school to serve both buildings and is estimated to cost about \$550,000. Air conditioning of the three older buildings is estimated to cost \$100,000 and the conversion of the high school patio into a resource center is projected at a cost of \$50,000.

The present high school band hall would be either used for additional classroom space or be used for business offices. The conversion of the high school patio into a resource center would also free the present high school library for another use. The resource center would house the school library and would also have sufficient room for the audio visual facilities and other learning aids.

All qualified voters residing within the school district will be eligible to vote in the bond elections.

In other action taken by the board, the firm of Lester Witte and Co. of Abilene was retained to do the school audit for the coming year.

The board also accepted the resignation of two teachers and hired three new ones. Mr. and Mrs. A. I. Simon resigned before the start of school and the board voted to hire Miss Paula Jean Holder as a third grade teacher, Mrs. Pamela Boyd Rowe as a second grade teacher, and Mrs. Brenda Blessing Ratliff as a junior high English teacher and girls physical education teacher.

City Council Seeks Bids For Oil Leases On City Owned Land

The City Council voted to advertise for bids for oil leases on city owned land in the area of the West Lake and accepted final plans and specifications for a Waste Water Treatment Facility as submitted by Yeatts and Decker, Inc. of Abilene.

The city will be advertising for bids on approximately 272 acres of land owned by the city for oil leasing. This includes the land where the Hamlin Country Club is located as well as other land located around the area of West Lake. The bids must be submitted to the council by the next regular meeting scheduled for Monday, Sept. 15.

The city will submit the Waste Water Treatment Plant plans and specifications to the Texas Water Quality Board for their final approval sometime this week. The plans must be submitted by Sept. 1. The city

will have 90-days following approval of the federal grant by the state agency to let a contract on the construction of the project and has until Sept. 1, 1976, for the plant to be in operation.

The council also approved a resolution to be submitted to the State Bicentennial Commission for the approval of Hamlin being designated a Bicentennial city. The application includes a list of committees and projects planned by the community during the Bicentennial year.

City Attorney Jack Willingham outlined the duties and responsibilities of the newly created Building Standards Commission to the council and the members who have been appointed to serve on the Commission.

Serving on this commission will be Melvin Scott, Delton Jackson and L. J. Lee. These men will serve as a hearing board for the purpose of

condemnation of dangerous buildings or structures within the city under terms of the ordinance passed earlier.

The council also heard a report on the city's finances by James E. Rodgers, local Certified Public Accountant, who had completed an audit of the city's finances for the 1974-75 fiscal year.

The audit showed a total income for the city in the General Operating Fund of \$468,431.21 and a total expenditure of \$494,208.04. The city's expenditures exceeded its income by \$25,776.83, but Rodgers pointed out to the council that the expenditures included \$28,277.50 set aside for depreciation and that on a cash basis the city came out about even for the year.

The city exceeded its budgeted expenses by \$43,721.17 but had an increase in income over the estimated amount in the budget by \$99,111.21.

Pipers Set Scrimmage Here Friday

Hamlin football fans will get their first look at the 1975 Pipers here Friday evening when Coach David Bonds' squad will scrimmage Seymour in Piper Stadium.

The Junior Varsity squads will open the session at 6 p.m. They will be followed by the Pipers and the JV's will take the field again and then the varsity teams will close out the practice session.

Mrs. Ralph Brown of Stavanger, Norway, visited her mother, Mrs. O. R. Shelton, last week.

The School Board voted Monday evening to separate the track from the balance of the building program in the coming bond election set for Sept. 11. This, in our opinion at least, was a wise decision on the part of the board.

We have felt that the district has needed a track for a long time but do not think that it should jeopardize the building program that we so desperately need. And while the \$75,000 for a track is a very small amount of money in light of a nearly \$2 million building program it seemed to be causing the greatest amount of controversy.

With two propositions on the ballot those in favor of the track will still get their say, but those who oppose the track can now vote for the building program without compromising their beliefs on the need for a track.

Since the track will only raise the tax rate by 2c and will only cost the taxpayer 20c a year per \$1,000 valuation we hope that even those who are opposing the track now will see the need and vote for both proposals. With the growth of the girls track program there are probably more youngsters who will be using such a facility than use any other of the school's athletic facilities.

Bob Bullock was not our choice for State Comptroller but I have to admit that the man has done one heck of a good job since his election. While many, including myself, believe that the man is making political hay out of his job.

But then I can see nothing wrong with a man having political ambitions and doing a first class job in order to elevate himself to a higher position.

Bullock has taken over a little known political post in the State of Texas and turned it into one of the best known. And at the same time he has collected a whole lot of money due the state.

Bullock is harvesting plenty of dollars from retail establishments across the state who have failed to remit state sales tax money as they should. He and his "raiders" have hit stores in San Antonio, Houston and Fort Worth, enforcing collection of sales taxes due.

This has been accompanied by a lot of publicity and some people are

Connie Deaton, Joe Kidwell Wed Here Saturday Evening

The Hamlin First Baptist Church Chapel was the scene for the Saturday evening wedding of Connie Lavonne Deaton and Joe Don Kidwell. Parents of the couple are Mr. and Mrs. George L. Deaton of Hamlin and Mr. and Mrs. Billy Joe Kidwell of San Angelo.

The Rev. Howard Jones, pastor, officiated. Mrs. Lynn Mink was pianist.

Georgia Lou Deaton of Abilene, sister of the bride, was maid of honor. Judy Wilcox was bridesmaid.

Ring bearer was Billy Wayne Gober of San Angelo, nephew of the bridegroom, and Trina Dawn Penrod of Aspermont, cousin of the bride, was flower girl.

Best man was Gene Wall and groomsmen were Donnie Smith, cousin of the bridegroom.

Ushers were Sammy Wilcox and Jerry Don Penrod, uncle of the bride, and candle lighters were Sandra Deaton, sister of the bride and Nicole Carter.

The bride was given in marriage by her father.

The reception was held in the First Baptist Church Parlor, hosted by the bride's parents.

After a wedding trip to Arlington, the couple established residence in Hamlin.

The bride, a senior at Hamlin High School, is employed by Waddell's Dairy Queen. The bridegroom attended Wall High School and is employed by Walton Well Service.

The rehearsal dinner was held in the First Baptist Church Fellowship Hall.

Friends Class Meets Tuesday

Mrs. Albert Haught and Mrs. Charles Pearce were hostesses for the monthly meeting of the Friends Sunday School Class of First Baptist Church, Tuesday, Aug. 12 in Mrs. Haught's home.

Mrs. Pearce, outreach leader, presided. Mrs. Melvin Scott presented the devotional.

Others attending were Mmes. John Howard Jr., C. E. Evans, J. O. Murphree, Byron Swank, J. E. McCoy Jr., Herman Sharer and Elbert Payne.

Refreshments of coffee, cake, chips and dips were served.

Mrs. Cecil Sellers and Mrs. Ray Johnson will be hostesses for the Sept. 9 meeting.

MRS. JOE DON KIDWELL
... formerly Connie Lavonne Deaton

NEWS FROM ...

McCaulley

By Mrs. Fred Kemp

Larry Marshall Jr., a junior in the University of Oklahoma, Oklahoma City, Okla., was a recent visitor in the home of Mr. and Mrs. Robert Kirby.

Mr. and Mrs. Jackie Jeffrey, Mr. and Mrs. Billy Wayne Jeffrey and Mr. and Mrs. Johnnie Jeffrey of Hamlin spent several days recently in Ruidosa, N. M. for rest and recreation and the races.

James and Debbie Wilder of Dallas visited in the home of Mr. and Mrs. Fred Kemp Saturday evening. They were en route to their home after a week in Ruidosa with Mr. and Mrs. Guy Kemp of Roby. Guy and James enjoyed the races but Debbie and Frances went shopping for Indian Jewelry.

Mr. and Mrs. Jim Dixon have just returned from Pecos where they had a chance to play with their grandson, Jeremy Beal and visit Mr. and Mrs. Charles Beal. They plan to have the grandson for a visit this weekend.

Mr. and Mrs. Larry Smart and son Jamie are visiting in

the home of Mr. and Mrs. James Smart.

The descendants of the late E. R. and Madeline Rector family met at the Bass Hollow Lodge in Possum Kingdom for a reunion. Attending from McCaulley were Mr. and Mrs. Clyde Minshew.

I attended the opening exercises for the McCaulley Public Schools and although some of the renovation and construction is not complete, regular schedules were met and basic instructions were given to the parents and students by Supt. Edd Farmer and Principal Willard Franklin.

Superintendent Farmer stated that since all grades, 1-12, are in one unit the older students should be especially helpful and protective of the younger students. He charged the Seniors and Juniors to set a good example for younger pupils and urged all to work with the faculty and administration to make a good school year.

Added to the faculty to fill the vacancy left by the resignation of Mrs. Zoe Encke was Robert McDonald who will teach English and Band. Mrs. McDonald was added as a teacher's aide. My apologies to Mrs. Encke—she had taught at McCaulley ten years—I only gave her seven last week.

McCaulley Eagles will play a scrimmage game Friday night at McCaulley with Moran. Coach Story had ten boys suited out yesterday afternoon in football practice.

The school will observe Labor Day, Sept. 1, as there will be no classes.

The Homecoming Committee had better get busy since that date is Sept. 27.

New Baby

Mr. and Mrs. Rickey Dale Perry are parents of a boy, Rickey Eugene, 6 lbs. 5 oz., born Aug. 17 at 6:55 a.m. The couple's other children are Jimmy, 9, Trudi, 8, Martin, 7, and Kerrie, 4.

Maternal grandmother is Mrs. Florence Lynch. Paternal grandparents are Mr. and Mrs. Thomas Perry. Mr. and Mrs. Travis Hale are paternal great-grandparents.

Send your kitchen hints to the Almanac c/o Harry G. Clark (512), 173 W. Madison St., Chicago, IL 60602.

WASTE PAPER can be recycled for money for the Day Care Center. Save your waste paper and take it to BCD trailer on Southeast Avenue A or call 576-3501 or 576-3566 for Wednesday pickup.

MR. AND MRS. EARL JOHNSON
... honored here Sunday

Earl Johnsons Mark Wedding Anniversary

Mr. and Mrs. Earl Johnson were honored here Sunday in observance of their 50th Wedding Anniversary with a family dinner in the home of

their daughter, Mrs. Joe E. Ford.

Attending the celebration were the couple's daughters and their families, Mr. and Mrs. Ford, Gary and Jan; Mr. and Mrs. John Edwards and James of Odessa; and Mr. and Mrs. Don J. Allen, Mike, Greg, Jonelle and Lea Ann.

Also attending were Mrs. Jay Smallwood, a granddaughter, and her daughter Barbara and Charlie Long, a friend of the Edwards, also of Odessa.

The couple married Aug. 18, 1925.

Holiday Lodge News

Holiday Lodge welcomed a new resident this week, Mrs. Iral Fannin, a long-time resident of the Hamlin community.

Rev. Marshall Stewart of the Nazarene Church held the Sunday School class and services Sunday afternoon were held by the Assembly of God Church.

The Homemakers Sunday School Class of First Baptist Church was in charge of the Bingo Game Monday evening. First Baptist Church held the weekly Bible Study Thursday.

Residents celebrating birthdays this month and their birth dates are Roy Hudson, Aug. 8, 1918; John Hayes, Aug. 11, 1894; Elmer Feagan, Aug. 14, 1893; Jimmy Raney, Aug. 14, 1908; Myrtle Bond, Aug. 28, 1893 and Norma Neighbours, Aug. 8, 1902.

A birthday party will be given Monday at 2 p.m.

After such a good response to our request for egg cartons, we now only need white styrene cartons. Thanks to every one who brought us cartons.

Anyone who wishes to do volunteer work, please contact Mrs. Buddy Lawlis. Help is particularly needed in making Christmas gifts. Call Holiday Lodge, 576-3643.

Bonnors Host Reunion Here

Mr. and Mrs. Harold Bonner hosted the Bonner family reunion Aug. 12 in their home.

Attending were Mr. Bonner's three brothers and one sister, Mr. and Mrs. T. E. Bonner of Abilene and their daughter, Miss Maxine Bonner, a school nurse of New York; Mr. and Mrs. L. A. Bonner of Bowie; Mr. and Mrs. Sewell Bonner of Snyder; and Mrs. Juanita Bailey of Forestburg.

The parents, Mr. and Mrs. Z. D. Bonner of Sweetwater, and two brothers Ruel Bonner of Waco and Owen E. Bonner of Fort Worth are deceased.

The Bride's Book of Etiquette, the complete wedding etiquette from engagement to honeymoon. \$1.45 at THE HAMLIN HERALD.

FAMILY LIFE EDUCATION—

Quest for Identity

A young adult's opinion of himself is influenced by hereditary and environmental factors.

"These influences either help or prevent development of self-concept," according to Nedy Wilburn, County Extension Agent.

Self-concept, the agent explained, involves the traits and habits an individual accepts as himself.

"In other words, one's concept of who and what he is and his thoughts and feelings about himself as an individual.

"The growth of self-concept is a continuous process. All through the developmental stages—infancy, childhood, adolescence and adulthood a person searches for identity while maturing in his personality traits," Mrs. Wilburn noted.

As a result, self-concept

develops in several ways.

For one, spirit of honesty and acceptance plays an important part, she said.

When an individual 'removes his mask' and is himself, he can accept himself more realistically and relate to others around him.

"Strong motivation for achievement is another factor. With much of our culture competitive, one's sense of self-worth largely depends on his ability to meet the demands placed upon him.

"Most of all, a young adult needs to feel he's independently responsible in his struggle for self-concept," the agent emphasized.

"Independence means a person can seek guidance from others who he considers role models—people that succeeded in their own searches.

"As such, he associates with mature adults who combine inner stability with freedom to change while continuing to grow."

FHA Chapter Breakfast Held Saturday

The Hamlin Chapter of the Future Homemakers of America met Saturday morning at 7 a.m. for a "Come as You Are Breakfast."

Special guests were the Freshman girls. Jan Ford, president, served the breakfast to the guests. Cindy White, vice-president, explained some of the activities that will take place during this club year. Mrs. Joe Wayne Carter is sponsor.

This weekend, call any other state* and talk five minutes for 86¢ or less... usually less!

*Except Alaska and Hawaii

Our weekend One-Plus rates are so low that you can talk awhile and still spend less than a dollar. For instance, a five-minute coast-to-coast Long Distance call dialed direct all Saturday and Sunday until 5 p.m. is only 86¢. An out-of-state call spanning fewer miles costs even less. If you can't wait till the weekend these same low rates are in effect every night from 11 p.m. to 8 a.m.

Where One-Plus dialing isn't available, One-Plus rates apply on station calls. If you dial direct and reach a wrong number, call the operator. You won't be charged.

Travel by Long Distance... and stay awhile.

For rates to Alaska and Hawaii, call the operator. One-Plus rates don't apply to person, coin, hotel-guest, credit card or collect calls, or calls charged to another number.

Emmett Kelly Jr.

FROM THE FILES . . .

FIFTY YEARS AGO
(Aug. 14, 1925)

Probably the greater part of Jones County has now had nearly enough rain to finish the cotton crop. All the Hamlin territory except a portion to the south received a fine rain last Friday afternoon and night. In Hamlin and to the east and north it was the heaviest rain yet to fall this year. The recent rains, although not regular over the country, have improved conditions till it appears that Hamlin will get as much or more cotton than last season.

Last Sunday night was the closing services of one of the best meetings that the Church of Christ had had in a long time. Evangelist J. I. Reagan held three well attended services Sunday. The night service had one of the largest audiences that has assembled in a meeting in Hamlin this year. At the close, eleven joined the church, making twenty-eight in all for the meeting.

Monday afternoon when the second shower came up, there was considerable wind in the north part of town and out in the country north-west, it did quite a bit of damage on the Gray farm at J. C. Watson's home. There the out buildings were torn down and a tenant house, unoccupied, on the place where Arthur Stonesifer lives, was blown down. No special damage was done in town, but a good rain fell.

Undaunted by a small thing of getting bogged in a lonely lane all night, there was a good sized bunch of picnic boosters to leave Hamlin, Wednesday afternoon to advertise Hamlin's Annual Picnic towards the west.

TWENTY YEARS AGO
(Aug. 12, 1955)

Good rains during the next 10 days or lack of them will mean the difference between thousands of bales of cotton to farmers of the Hamlin section, especially in the areas east and north of Hamlin.

High school athletes, new football coaches, Hamlin area boosters for athletics, and ice cream all over the place; that is the program for next Tuesday evening at the oil mill guest house when the Hamlin Pied Piper Booster Club will sponsor a second get-together for the boys and men of the community. To begin at 7:30 p.m., the gathering also will mark the first official business session of the booster group according to Bill Harbert, president.

Texas' cotton crop for 1955 was estimated Monday at 3,900,000 bales, slightly under 1954's crop of 3,923,000 bales, but better than the 10-year average of 3,259,000 bales. The U. S. Department of Agriculture's first forecast of 1955 cotton production was based on Aug. 1 conditions. The figure for the nation was 12,728,000 bales.

Approval of the final estimate for street paving in Hamlin was given when the City Council met in regular monthly business session Tuesday night. The estimate was for about \$7,000 on the total paving bill of \$82,000 plus for work done since last fall by C & C Asphalt Paving Company of Colorado City.

TEN YEARS AGO
(Aug. 12, 1965)

The Hamlin High School Band will start annual summer band school on Monday, Aug. 16, at 8 a.m. Marching instruction, section rehearsals and full band rehearsals will take place, every day, Monday through Friday, for two weeks. The band will march in the annual Fisher County Rodeo parade Aug. 19 to start the year's activities. Other fall events will include football games and a trip to Dallas to participate in the State Fair Music Day.

Plans for the annual Homecoming for former students and teacher of Hamlin Public Schools were started at a meeting held Aug. 3 in the home of the president, Robert Fowler. Highlighting the Homecoming Oct. 16 will be the evening football game with the Cisco Lobos at the Piper Stadium.

Tuesday night winners in the Hamlin Duplicate Bridge Club were Mrs. Floyd Briscoe and Mrs. Preston Morrow of Rotan, first; Harry Yates of Stamford and Harvey Elkins, second; Mrs. Gene Knabel and Mrs. Ray Sonnenburg, third.

New head Football Coach Joe Youngblood announced this week that fall football practice would start Monday morning at 7:30 a.m. for the sophomores, juniors and seniors. The freshmen will meet at 4 p.m. Monday.

Plans are now underway for a barbecue at Piper Stadium at 7:30 p.m. Saturday, Aug.

21 to introduce members of the Piper football team and their coaches. The event, started last year, is sponsored by the Pied Piper Booster Club.

NEWS AND VIEWS . . .

And What Have You

— Continued from page One

trying to dismiss this as a mere publicity stunt on his part. And there may be something to this part of the campaign since Bullock is getting his name well known across the state and this is not bad for someone who just might have his eye on the Governor's chair.

But then again all of this publicity is waking up some people to the fact that those sales taxes belong to the state and the cities and that they had better remit or be closed down.

The odd thing is that many people appear to be siding with those who are being locked out rather than with the official who is enforcing the law.

After all, this sales tax money does not belong to the owners of the liquor store in San Antonio or the discount center in Richardson or the appliance store in Houston. This is money that has been collected from the customers of these stores and then, instead of being sent on to Austin, was conveniently placed in the pocket of the store owner.

Bullock has announced that he sees at least \$12 million in sight in the form of delinquent sales taxes, and the total may go even higher once the audit and investigation gets underway. This is \$12 million in taxes that the people of Texas have paid but the state has not received.

It all boils down to the matter of either getting this money for the state or else the taxpayers will just have to come up with some extra money with which to operate the state and this means that some will have to pay two dollars for every dollar that the state gets.

Like we say, the man may have political ambitions, but that is all right with us as long as he continues to get the job done that he was elected to do.

"YOU TOOK MY PICTURE...
AND I WASN'T READY!"

How concerned we are with the image we present to others! And it is right that we should be. How mightily we influence others. It is so important that the self we present is one that will influence others for good.

With guidance from God we will be ready to present ourselves to the world in such a manner as to sway others toward God and all that is worthwhile and good.

"That ye might walk worthy of the Lord unto all pleasing, being fruitful in every good work, and increasing in the knowledge of God," come to His Church

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Tour Director Praises Hamlin Stage Band

The following letter was received here after the Hamlin High School Stage Band returned from their European Tour.

Mr. Bob Hawes
Superintendent of Schools
Hamlin, Texas 79520

Dear Mr. Hawes:
I am both pleased and proud to advise you that the Hamlin High School Stage Band under the very capable direction of Mr. Tim Jones was sensationally accepted by European audiences at every one of their seven concerts.

This is a most auspicious honor for the Hamlin School District and the people of Hamlin, because the other high school bands on the program were all 4A high schools.

It would be remiss of me not to mention the exceptional conduct of the boys and girls of your band. They were without a doubt, the best behaved of any of the groups. What a marvelous reflection on the Hamlin Schools and the parents of your town.

With your permission, I must say something about the chaperones who accompanied the band. The only words that I can adequately find to describe them would be to say that they are "beautiful people." My wife and I had tears in our eyes when we bid the entire group "good-bye" in front of the Commodore Hotel in New York City.

Although this was the Third Annual European Concert Tour and represents a total participation of seventeen high schools, I must admit this was the first time I felt such a close and personal attachment to any group.

The water in Hamlin must be among the finest anywhere - a great high school jazz ensemble, a superb director-musician, and a marvelous group of chaperones. This is a combination that is hard to beat; if not impossible.

Please be assured that I feel extremely fortunate and honored to have had the Hamlin High School Jazz Ensemble with me on our Third Annual European Concert Tour and sincerely appreciate your confidence in allowing them to go with me.

My primary hope is that this trip will prove to be a cultural, educational and musical milestone in the events of their life.

Sincerely,
Joseph L. Bellamah,
President
International Jazz Tours.

Attend Funeral

Mrs. Bertha Cramer of Los Angeles, Calif., sister of James Mayes, Garry Don Mayes, Pearl Mayes, Lola Douglas. Also attending were Mr. and Mrs. Charles Titus of Abilene and Mrs. Carol Laury of Aspermont.

Attending the funeral from Hamlin were Mr. and Mrs. James Mayes, Garry Don Mayes, Pearl Mayes, Lola Douglas. Also attending were Mr. and Mrs. Charles Titus of Abilene and Mrs. Carol Laury of Aspermont.

Open Horse Show Rescheduled for Saturday

The open horse show scheduled to be held in conjunction with the Jones County Fair in Anson Saturday was rained out and has been rescheduled for this Saturday.

A complete line of halter and performance classes will be held in both the open and youth shows. Two age groups in the youth show are 12 and under and 13 to 18.

Mr. and Mrs. Gary McMillan and her nephew, Casey Dean Warner, visited with relatives in Eldorado over the weekend.

Mrs. J. D. Gray of Ennis and Mrs. Ruth O'Bannon of Beaumont visited with Mrs. Bonnie Bingham over the weekend.

DON'T THROW THAT PAPER AWAY! Let it benefit the Day Care Center. Take to BCD trailer on Southeast Ave. A or call 576-3501 or 576-3566 for Wednesday pickup.

CAPITAL HIGHLIGHTS—

Governor Seeks to Avoid Major Tax Bill In 1977

AUSTIN—Governor Dolph Briscoe has assigned top priority to curbing soaring state governmental spending and thwarting predictions of a major state tax bill in 1977.

At the same time, the governor said all his political options for the future remain open, although he emphasized he is making no present plans for a third term.

Briscoe's predictions that the state can avoid a tax bill in two years fly in the face of forecasts by Texas Research League and Comptroller Bob Bullock. TRL only a week earlier said the legislature may have to raise \$750 million to balance the next budget in view of 1975 spending levels.

However, Briscoe stated: "I am optimistic that we can meet the fiscal needs of the state for a third time without new and additional taxes. We can't do it unless we try. That is our No. 1 priority. I will work toward that end."

Briscoe said he is hopeful the new Joint Advisory Committee on Government Operations will point the way to how to economize, increase efficiency and reorganize government effectively.

As for his own plans, the governor said it's too early for serious talk about a third term. But he acknowledged the subject has been discussed in private conversations — "just passing the time of day."

Hospital Savings
A new \$1.8 million state-federal program aims to save Texans who have to go to hospitals \$14 million a year.

Three centers will be established to make group purchases and collections for hospitals—the statewide center in Austin, with regional offices in Abilene and Texarkana.

The centers will try to reduce hospital management and bring about better distribution of other health personnel.

At the same time, Texas Hospital Association announced 189 hospitals have indicated they will participate in a proposed THA-backed hospital company.

Texas State Insurance Board set an August 21 hearing on the Texas Hospital Insurance Exchange application for charter.

Democrats Moving
Texas liberal Democrats are getting organized for the 1976 presidential preference primary, while, at the same

time, challenging legality of the primary.

Democratic National Committeewoman Billie Carr of Houston and others are inviting Democratic presidential candidates to a September 20 meeting here. The group calls itself "Texans for Somebody Else"—somebody else, that is, besides U. S. Senator Lloyd Bentsen or Alabama

Governor George Wallace. Ms. Carr and others filed a challenge with the national Democratic Compliance Review Commission, contesting the 1976 presidential primary act, passed by the legislature this year, was largely to help Bentsen.

AG Opinions
Notice of meetings under the Open Meetings Law must be specific on subjects to be

discussed, Attorney General John Hill held. Hill said general phrases such as "new business," "old business" and "regular business" do not meet requirements.

In other recent opinions, Hill concluded: Comptroller Bob Bullock should not release information on amounts of sales or use taxes paid or owed by an individual prior to a "final determination."

Texas Youth Council can furnish information on child abuse cases to the Texas Interagency Task Force on Youth Care and Rehabilitation under proper limitations on distribution. There is no state agency with authority to license facilities to store human bodies.

A landscape architect must renew his license by Aug. 31 each year to remain eligible to practice.

A paid fireman, who also serves as a volunteer fireman, may participate in pension plans covering both positions.

Appointments
Six new State Parole Commissioners are Edward Odis Johnson of Austin, Gilberto de Leon Jr. of Uvalde, Helen Copitka of Houston, Don R. Stiles of Grapevine, Paul F. Cromwell of San Antonio and Paul J. Mansmann of Fort Worth.

Reagan Houston III of San Antonio is the sixth gubernatorial appointee to the Joint Advisory Committee on Government Operations to study governmental economy, efficiency and reorganization.

R. Doug Lewis has been named executive director of the Republican Party of Texas, succeeding Zack Fisher of Memphis.

John Barclay Armstrong of Kingsville was appointed to a vacancy on Texas Animal Health Commission created by death of John Biggs of Vernon.

Philip K. Maxwell of Dallas is the new chief of Atty. Gen. Hill's Consumer Protection Division. Lee Clyburn of Conroe heads Hill's new Anti-Trust Division. Mike Barron of Groesbeck is assistant chief of Anti-Trust.

C. A. Dickerson of Rosenberg was appointed criminal district attorney for Fort Bend County and Lawrence L. Barber Jr. of Monahan as district attorney for the 143rd judicial district.

Lieutenant Governor Bill Hobby named Senator Max

Heritage Deadline Extended

AUSTIN—The deadline for mailing applications to the Family Land Heritage Program has been extended two weeks until August 31, Agriculture Commissioner John C. White has announced.

In the past few weeks applications have been coming in at the rate of five a day, Commissioner White reported.

"We have the feeling that many people are just now hearing about the Program and need more time to gather historical background on their property."

The Family Land Heritage Program is in its second year, having honored over 560 families last year for farming or ranching the same land for over 100 years. So far this year there are over 100 who have qualified.

"Some applicants do not understand all the rules for this award. Since the Program was initiated to honor people who have actively worked their land, if all the land has ever been leased to anyone outside the family, the farm will not qualify," White said.

If persons wishing to apply cannot get forms from the county judge's office, they should write John C. White, Commissioner, Texas Department of Agriculture, Family Land Heritage Program, P.O. Box 12847, Austin, Texas 78711.

Every day, more than 186,000 adults in The Big Country read more local West Texas news and sports in The Reporter-News.

BUT WHAT HAVE YOU DONE FOR ME LATELY?

As power cost decreased over the years the member-owners of Midwest Electric Cooperative enjoyed lower rates. But that trend is reversed. Higher fuel costs to the people who generate our power have meant higher cost to us as well.

But the Midwest Elec. Cooperative has always provided power at its lowest possible price. That's still our promise today and for the future.

Midwest Electric Cooperative

Bids, Legal, Auction

NOTICE OF INTENTION TO LEASE LANDS OF CITY OF HAMLIN FOR OIL AND GAS DEVELOPMENT PURPOSES

Notice is hereby given of the intention of the City Council of the City of Hamlin, Jones County, Texas to lease the lands hereinafter described for the purpose of investigating, exploring, prospecting, drilling and mining for and producing oil and gas. The City Council of the City of Hamlin will receive sealed bids at its office in the City Hall of said City up to seven o'clock P. M. on September 15, 1975, when said governing board shall receive and consider any and all bids submitted for such mineral leases of said lands or any portions thereof as the City Council or governing board determines to make and in the discretion of such governing body shall award the lease to the highest and best bidder submitting a bid therefor, provided that if in the judgment of such governing body the bids submitted do not represent the fair value of such lease or leases the governing body may in their discretion reject any and all bids.

Said land offered for oil and gas lease is in Fisher County, Texas and is described as follows:
TRACT 1: Being that tract of land known as the J. T. Nipp Survey and patented to him on July 16, 1895, Patent No. 556, Vol. 27 duly recorded in the Patent Records of Fisher County, Texas in Vol. One, Page 127 and described by metes and bounds, as follows:
BEGINNING at a stone set in the ground the S. W. Cor. of Survey No. 353 in the name of Charles Gates, fr. wh. a Mes. 4" brs. N. 38 1/2 W. 9 1/2 vrs. do6" brs. N. 33 1/2 vrs. (as surveyed by Geo. F. Williams Surveyor of Jones County, Texas.)

Funeral Services Held Saturday for Mrs. Bonnie Meads

Mrs. Bonnie Meads, 80, of Anson, died at 2:50 p.m. Thursday at Hamlin Memorial Hospital. Services were held Saturday at 10 a.m. in the McCoy Chapel of Memories with the Rev. Marshall Stewart of the Church of the Nazarene officiating. Burial was in Fairview Cemetery under the direction of McCoy Funeral Home.

Daughter of the late Mr. and Mrs. William Eldrige, she was born Aug. 9, 1895, in Rose Hill, Va. She married Elmer Meads in Tuxedo in May 1916 and he preceded her in death in 1948.

Survivors include two sons, Herbert of Lueders and Dan of Big Spring; three daughters, Mrs. Bill (Thelma) Maddox of Hamlin, Mrs. Bill (Jeanne) Sorrell of Abilene and Mrs. A. J. (Lurleene) Ashburn of Hale Center; six grandchildren and five great-grandchildren.

Palbearers were Leonard Johnson, Roy Server, Corky Bond, Jerry Farnsworth, Holman Jones and Jimmy Hastings.

Jim Bob Watts New Patrolman

Jim Bob Watts, formerly a route man for Mrs. Baird's Bread, has been hired by the City of Hamlin as a city patrolman, according to Police Chief Ed Wheat.

He succeeds Clifford Jack Vaughan who moved to Stamford.

Watts and his wife Vickie and daughter have lived here 18 months.

Watch for Announcements

Local Telephone Office To Close Here Monday

Southwestern Bell Telephone Company announced this week that the local business office will be relocated in Sweetwater beginning Monday, Aug. 25. The announcement was made by Bud McCasland, manager.

McCasland also announced that effective Monday, Heidenheimer's Department Store will become payment agent for Southwestern Bell in Hamlin.

"Customers who normally pay bills in person may still do so at Heidenheimer's after the relocation," McCasland pointed out. "At the same time, a customer who needs to talk to the business office for any reason may do so by dialing the operator and asking for the Sweetwater

Business office, 236-6801. There will be no charge for these calls."

McCasland emphasized that in the centralized Sweetwater office, service representatives will be available to talk with customers continually from 8:30 a.m. to 5 p.m. Monday through Friday.

"Mrs. Jo Riddle, our service representative in Hamlin, will transfer to Sweetwater and will continue to be available to provide the high quality service she has given Hamlin customers for many years," McCasland said.

The manager noted that with a centralized location, more service representatives are available to provide customer service, and the centralized force provides opportunities for specialization and increased efficiency.

Southwestern Bell's two telephone craftsmen, Melvin Scott and F. E. Turner, will remain in Hamlin to provide installation and repair service.

"Southwestern Bell is proud to be a part of the Hamlin community, and we will continue to be a viable part of it," McCasland said.

Oak Grove Sets Dinner Sunday

The Oak Grove Baptist Church will hold a turkey dinner Sunday at 12 noon, sponsored by the Senior Mission. The dinner will be served buffet style in Fellowship Hall. Tickets will be \$2.25 for adults and \$1.25 for children under 12.

The menu will include turkey and dressing, giblet gravy, cranberry sauce, black-eyed peas and corn, jello salad, hot rolls, assorted pies and tea or coffee. The public is invited.

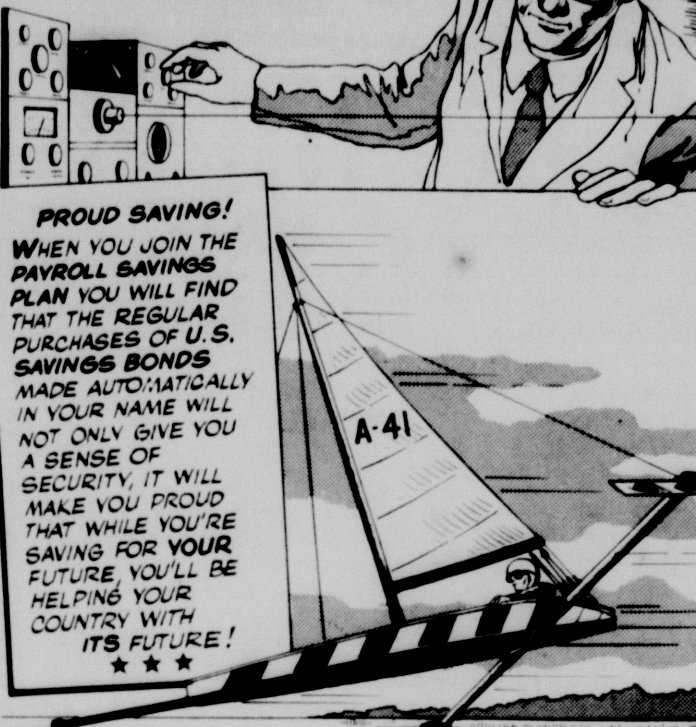

Riding Club Sets Meeting Today

The Hamlin Riding Club will meet today (Thursday) 8 p.m. in the Sweetwater Savings-Hamlin Branch Building.

The financial report will be given by Don Elmore, club president.

Pentecostal Church Sets Anniversary Celebration Here

United Pentecostal Church will have an anniversary service Sunday with all-day activities planned.

Sunday will mark the second anniversary of the pastorate of the Rev. Jimmy Skiles. They day of special services will begin with Sunday School at 10 a.m. The Rev. and Mrs. A. H. Browning of DeLeon will be the preachers for the special morning worship service at 11 a.m.

The church members will have a covered dish luncheon.

The afternoon service will be conducted from 3 to 5 p.m. with the Rev. Jack Stevens of Lawn preaching. At 7 p.m. the worship service will be led by the Rev. Browning. The public is invited to attend the services.

Visiting with Mr. and Mrs. E. L. Jenkins Sr. last week were their daughter and family, Mr. and Mrs. Donald Wright, Ricky, David and Larry Don of Ft. Worth.

Officers Discuss Plans for Annual Homecoming Here

The Ex-Students Association officers met at the Sweetwater Savings building Monday afternoon.

The officers discussed plans for the annual homecoming set for Nov. 7 and 8. The theme, "Our Heritage: America—200 Years, Hamlin—70 Years," was announced. Clubs and organizations are asked to follow the theme when planning floats for the parade Nov. 8.

Dr. Gordon Bennett of Abilene will be the guest speaker for the Ex-Students program Nov. 8. He is a former teacher and superintendent of Hamlin Public Schools.

Secretaries are now typing up folders of the addresses of former students. Anyone having a change of address for any Ex-Student is asked to call Mrs. Frank Tucker, phone 576-3144. Work has also begun on the newsletter to be mailed to all Exes.

Those present for the Monday meeting were C. L. White and Mmes. John Ed Day, Robert Fowler, Frank Tucker, Ken Prewitt, Sam Mack Hodges, Bill Smith and Holman Jones.

The next meeting will be Sept. 8 at 5:30 at the Sweetwater Savings Building.

Philosopher Wants Market-Influencing Crop Reports for Automobiles, Tractors, Etc.

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 reflects on last week's grain crop estimate, we think.

Dear editor:

At 3 o'clock one day last week the whole world nearabout was on needles and pins to hear what the Agriculture Department estimated the U.S. grain crop will be for this year.

That is, everybody but the Russians; they apparently already knew and had stocked up on U.S. grain at a satisfactory price a few weeks ahead of time. I guess if the CIA hadn't had all its men tied up trying to overthrow governments in other countries it could have spared a few to check up on weather conditions in Russia and find out that the Soviets would be in the market for grain and let's see if we can't out-trade them just this once at least. Looks like somebody sometime would think of swapping some of our grain for some of their oil, but the trouble is they buy our grain in the summer time and it's not till winter time we find out we're short of heating oil.

But what I started out to say was that crop estimating,

which makes the farmer's grain market go up or down, ought to be applied to other things. Why should farmers and ranchers, not counting the speculators, be the only ones to grab a newspaper or listen to the radio every morning to find out whether the price of their crops and livestock has gone up or down over night?

For example, the government ought to estimate the number of cars and pickups coming out this year, so the manufacturers could wake up in a sweat every morning wondering what the market price on cars is today. The same ought to apply on estimates of oil production, tractor production, etc.

For too long farmers and ranchers have hogged the market fluctuation business. They ought to let the car manufacturers, the oil

Mr. and Mrs. Homer Raney spent last week in Lubbock visiting with Mr. and Mrs. Jay Humphreys and their five-year-old granddaughter Pamela Beth, daughter of Mr. and Mrs. Jimmy Curt Humphreys of Washington, D. C., who was visiting them. Mrs. Raney and Mrs. Humphreys are sisters.

people, etc. in on this. It makes life a lot more adventurous.

Say, I notice somebody in Washington has found a bureau costing \$70,000 a year which has acted only twice in seven years, and there's an outcry to abolish it. Be the worst thing you can imagine. Any time you've got a set of bureaucrats you hear from only twice in seven years, I say that's the kind we need more of.

Yours faithfully,
J.A.

Use it wisely.

This is a gas meter. It's fairly easy to read and check to see if you're using natural gas wisely.

There are five dials on the meter face. The smallest dial is a test dial . . . and it's not included in the actual reading. The remaining four dials are divided into ten segments, using the number the hand has just passed for the reading. When a hand is between numbers, always use the *smaller* number.

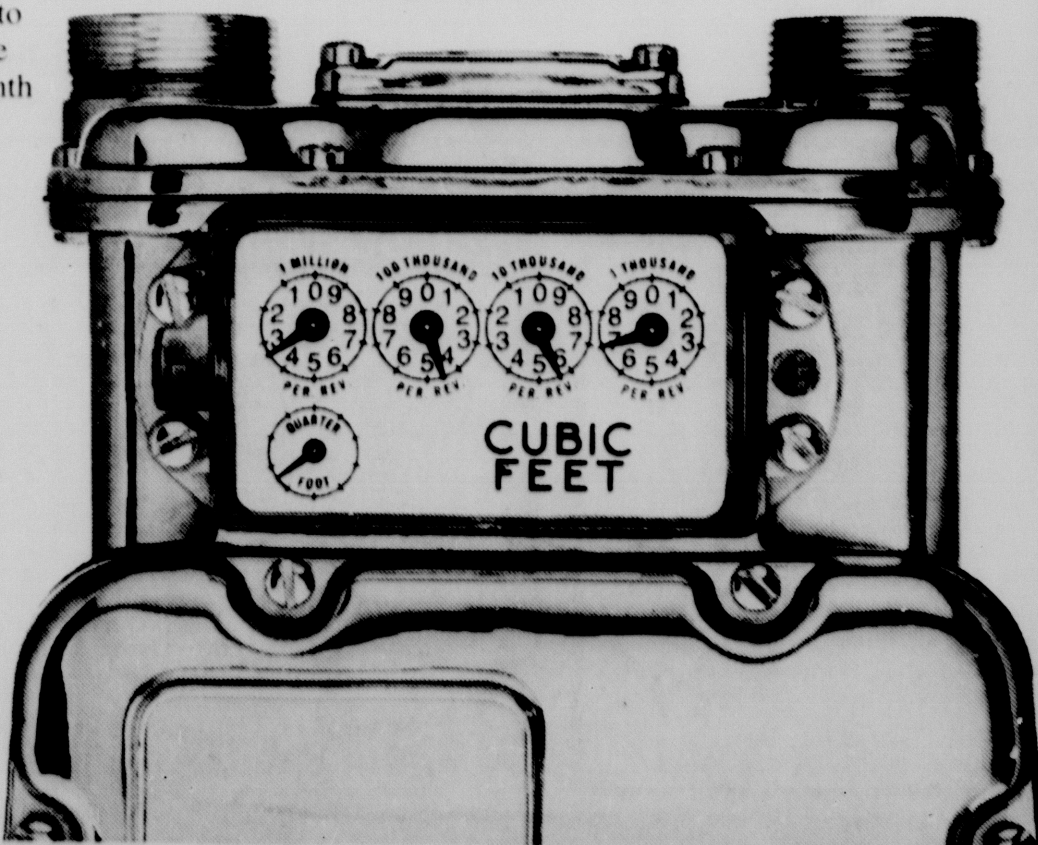

The reading for the meter pictured below would be 3 4 5 7. The last number is in "tenths," so your final reading should be 345.7 THOUSAND CUBIC FEET.

It's our intention to read every accessible gas meter every month

on or about the same day. You may want to informally check your natural gas usage each month to see how much you can save. Practicing conservation in your home is a good way to get the most efficient use of nature's cleanest, most desirable energy source — natural gas.

If your monthly home meter readings remain low, you're conserving natural gas. And today . . . that's the name of the game!

Lone Star Gas

PROPOSED AUDITORIUM, MIDDLE SCHOOL—Voters will go to the polls Thursday, Sept. 11, to vote on issuing \$1,250,000 in bonds to construct a new Middle School and Auditorium,

as well as some remodeling of existing buildings. The floor plan for the proposed new Middle School is shown at left and the new auditorium is shown above.

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

Child Care Center Sets Open House Tuesday

The Hamlin Child Care Center will host open house Tuesday, Aug. 26, from 7:30 to 8:30 p.m. to show the public what has been accomplished during the first year of operation. Everyone is invited.

The center has 37 children enrolled at this time. Recent work includes interior painting.

At the open house visitors will have the opportunity to bring items to be auctioned Oct. 4 to raise money to support the center. The auction, featuring Rick Crowley and a professional auctioneer from Lubbock, will be held at the City Hall warehouse, east of City Hall. The auctioneers will furnish the equipment and will be donating their time.

Items are also now being collected at the Board of Community Development office. No clothing can be accepted. Farm equipment on consignment and commission will be taken for auction.

The public auction will take the place of the carnival held for the center in past years. Proceeds from the auction and the waste paper drive go exclusively to support the Day Care Center.

School Board Splits Bond Proposals Into Two Issues

The Trustees of the Hamlin Independent School District voted here Monday evening to submit two bond election proposals to the district's voters here Thursday, Sept. 11. The board voted to take the proposal for a track out of the general building proposal and submit it separately.

Under this arrangement

the voters will be voting on two propositions, the first would be to issue \$1,250,000 in bonds to construct the new school buildings and remodel some of the existing buildings and the second would be to issue \$75,000 in bonds to construct an all-weather track.

Because of an increase in

district values and the elimination of the track from the main proposition the tax increase needed to finance the bonds has been lowered from previous estimates for 40c per \$100 valuation to 36c per \$100 valuation. The track, if approved by the voters would require an additional 2c per \$100 valuation, making a total increase in rate of 38c per \$100 valuation if both propositions are approved by the voters.

The proposed building program would include a new middle school (junior high school) complete with a physical education plant and a vocational education facility, a 900-plus seat auditorium which would include a new band hall to serve both the new middle school and the high school; air conditioning of the three older buildings (elementary, reading center and primary); and converting the high school patio into a resource center.

The total building program to be voted on in Proposition Number 1 is estimated to cost the district \$1,750,000 with \$500,000 of this amount to come from the insurance settlement received by the district following the fire in March that destroyed the junior school building and auditorium.

The complete new middle school complex which would be located at the site of the present Little League Ballpark is estimated to cost about \$1,050,000. The auditorium and band hall

would be located between the middle school and high school to serve both buildings and is estimated to cost about \$550,000. Air conditioning of the three older buildings is estimated to cost \$100,000 and the conversion of the high school patio into a resource center is projected at a cost of \$50,000.

The present high school band hall would be either used for additional classroom space or be used for business offices. The conversion of the high school patio into a resource center would also free the present high school library for another use. The resource center would house the school library and would also have sufficient room for the audio visual facilities and other learning aids.

All qualified voters residing within the school district will be eligible to vote in the bond elections.

In other action taken by the board, the firm of Lester Witte and Co. of Abilene was retained to do the school audit for the coming year.

The board also accepted the resignation of two teachers and hired three new ones. Mr. and Mrs. A. I. Simon resigned before the start of school and the board voted to hire Miss Paula Jean Holder as a third grade teacher, Mrs. Pamela Boyd Rowe as a second grade teacher, and Mrs. Brenda Blessing Ratliff as a junior high English teacher and girls physical education teacher.

City Council Seeks Bids For Oil Leases On City Owned Land

The City Council voted to advertise for bids for oil leases on city owned land in the area of the West Lake and accepted final plans and specifications for a Waste Water Treatment Facility as submitted by Yeatts and Decker, Inc. of Abilene.

The city will be advertising for bids on approximately 272 acres of land owned by the city for oil leasing. This includes the land where the Hamlin Country Club is located as well as other land located around the area of West Lake. The bids must be submitted to the council by the next regular meeting scheduled for Monday, Sept. 15.

The city will submit the Waste Water Treatment Plant plans and specifications to the Texas Water Quality Board for their final approval sometime this week. The plans must be submitted by Sept. 1. The city

will have 90-days following approval of the federal grant by the state agency to let a contract on the construction of the project and has until Sept. 1, 1976, for the plant to be in operation.

The council also approved a resolution to be submitted to the State Bicentennial Commission for the approval of Hamlin being designated a Bicentennial city. The application includes a list of committees and projects planned by the community during the Bicentennial year.

City Attorney Jack Willingham outlined the duties and responsibilities of the newly created Building Standards Commission to the council and the members who have been appointed to serve on the Commission.

Condemnation of dangerous buildings or structures within the city under terms of the ordinance passed earlier.

The council also heard a report on the city's finances by James E. Rodgers, local Certified Public Accountant, who had completed an audit of the city's finances for the 1974-75 fiscal year.

The audit showed a total income for the city in the General Operating Fund of \$468,431.21 and a total expenditure of \$494,208.04. The city's expenditures exceeded its income by \$25,776.83, but Rodgers pointed out to the council that the expenditures included \$28,277.50 set aside for depreciation and that on a cash basis the city came out about even for the year.

The city exceeded its budgeted expenses by \$43,721.17 but had an increase in income over the estimated amount in the budget by \$99,111.21.

The School Board voted Monday evening to separate the track from the balance of the building program in the coming bond election set for Sept. 11. This, in our opinion at least, was a wise decision on the part of the board.

We have felt that the district has needed a track for a long time but do not think that it should jeopardize the building program that we so desperately need. And while the \$75,000 for a track is a very small amount of money in light of a nearly \$2 million building program it seemed to be causing the greatest amount of controversy.

With two propositions on the ballot those in favor of the track will still get their say, but those who oppose the track can now vote for the building program without compromising their beliefs on the need for a track.

Since the track will only raise the tax rate by 2c and will only cost the taxpayer 20c a year per \$1,000 valuation we hope that even those who are opposing the track now will see the need and vote for both proposals. With the growth of the girls track program there are probably more youngsters who will be using such a facility than use any other of the school's athletic facilities.

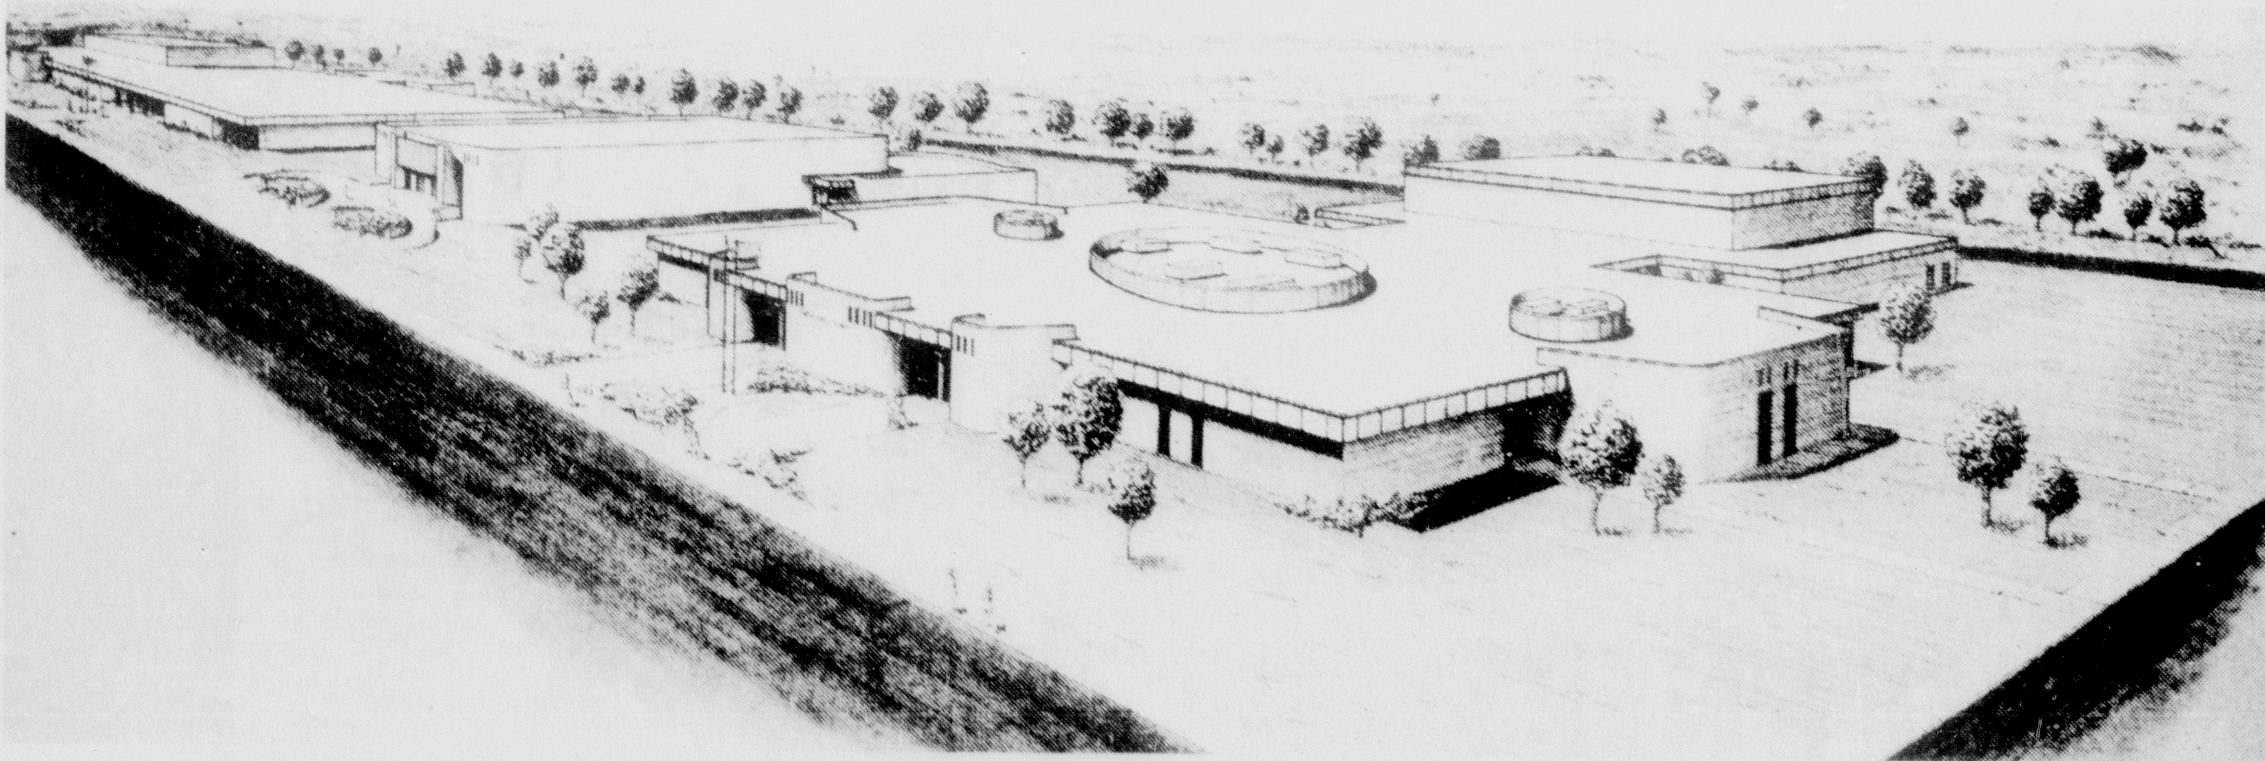

Bob Bullock was not our choice for State Comptroller but I have to admit that the man has done one heck of a good job since his election. While many, including myself, believe that the man is making political hay out of his job. But then I can see nothing wrong with a man having political ambitions and doing a first class job in order to elevate himself to a higher position.

Bullock has taken over a little known political post in the State of Texas and turned it into one of the best known. And at the same time he has collected a whole lot of money due the state.

Bullock is harvesting plenty of dollars from retail establishments across the state who have failed to remit state sales tax money as they should. He and his "raiders" have hit stores in San Antonio, Houston and Fort Worth, enforcing collection of sales taxes due.

This has been accompanied by a lot of publicity and some people are

Connie Deaton, Joe Kidwell Wed Here Saturday Evening

The Hamlin First Baptist Church Chapel was the scene for the Saturday evening wedding of Connie Lavonne Deaton and Joe Don Kidwell.

Parents of the couple are Mr. and Mrs. George L. Deaton of Hamlin and Mr. and Mrs. Billy Joe Kidwell of San Angelo.

The Rev. Howard Jones, pastor, officiated. Mrs. Lynn Mink was pianist.

Georgia Lou Deaton of Abilene, sister of the bride, was maid of honor. Judy Wilcox was bridesmaid.

Ring bearer was Billy Wayne Gober of San Angelo, nephew of the bridegroom, and Trina Dawn Penrod of Aspermont, cousin of the bride, was flower girl.

Best man was Gene Wall and groomsman was Donnie Smith, cousin of the bridegroom.

Ushers were Sammy Wilcox and Jerry Don Penrod, uncle of the bride, and candle lighters were Sandra Deaton, sister of the bride and Nicole Carter.

The bride was given in marriage by her father.

The reception was held in the First Baptist Church Parlor, hosted by the bride's parents.

After a wedding trip to Arlington, the couple established residence in Hamlin.

The bride, a senior at Hamlin High School, is employed by Waddell's Dairy Queen. The bridegroom attended Wall High School and is employed by Walton Well Service.

The rehearsal dinner was held in the First Baptist Church Fellowship Hall.

Friends Class Meets Tuesday

Mrs. Albert Haught and Mrs. Charles Pearce were hostesses for the monthly meeting of the Friends Sunday School Class of First Baptist Church, Tuesday, Aug. 12 in Mrs. Haught's home.

Mrs. Pearce, outreach leader, presided.

Mrs. Melvin Scott presented the devotional.

Others attending were Mmes. John Howard Jr., C. E. Evans, J. O. Murphree, Byron Swank, J. E. McCoy Jr., Herman Sharer and Elbert Payne.

Refreshments of coffee, cake, chips and dips were served.

Mrs. Cecil Sellers and Mrs. Ray Johnson will be hostesses for the Sept. 9 meeting.

MRS. JOE DON KIDWELL
... formerly Connie Lavonne Deaton

NEWS FROM ...

McCaulley

By Mrs. Fred Kemp

Larry Marshall Jr., a junior in the University of Oklahoma, Oklahoma City, Okla., was a recent visitor in the home of Mr. and Mrs. Robert Kirby.

Mr. and Mrs. Jackie Jeffrey, Mr. and Mrs. Billy Wayne Jeffrey and Mr. and Mrs. Johnnie Jeffrey of Hamlin spent several days recently in Ruidosa, N. M. for rest and recreation and the races.

James and Debbie Wilder of Dallas visited in the home of Mr. and Mrs. Fred Kemp Saturday evening. They were en route to their home after a week in Ruidosa with Mr. and Mrs. Guy Kemp of Roby. Guy and James enjoyed the races but Debbie and Frances went shopping for Indian Jewelry.

Mr. and Mrs. Jim Dixon have just returned from Pecos where they had a chance to play with their grandson, Jeremy Beal and visit Mr. and Mrs. Charles Beal. They plan to have the grandson for a visit this weekend.

Mr. and Mrs. Larry Smart and son Jamie are visiting in

the home of Mr. and Mrs. James Smart.

The descendants of the late E. R. and Madeline Rector family met at the Bass Hollow Lodge in Possom Kingdom for a reunion. Attending from McCaulley were Mr. and Mrs. Clyde Minshew.

I attended the opening exercises for the McCaulley Public Schools and although some of the renovation and construction is not complete, regular schedules were met and basic instructions were given to the parents and students by Supt. Edd Farmer and Principal Willard Franklin.

Superintendent Farmer stated that since all grades, 1-12, are in one unit the older students should be especially helpful and protective of the younger students. He charged the Seniors and Juniors to set a good example for younger pupils and urged all to work with the faculty and administration to make a good school year.

Added to the faculty to fill the vacancy left by the resignation of Mrs. Zoe Encke was Robert McDonald who will teach English and Band. Mrs. McDonald was added as a teacher's aide. My apologies to Mrs. Encke—she had taught at McCaulley ten years—I only gave her seven last week.

McCaulley Eagles will play a scrimmage game Friday night at McCaulley with Moran. Coach Story had ten boys suited out yesterday afternoon in football practice.

The school will observe Labor Day, Sept. 1, as there will be no classes.

The Homecoming Committee had better get busy since that date is Sept. 27.

New Baby

Mr. and Mrs. Rickey Dale Perry are parents of a boy, Rickey Eugene, 6 lbs. 5 oz., born Aug. 17 at 6:55 a.m. The couple's other children are Jimmy, 9, Trudi, 8, Martin, 7, and Kerrie, 4.

Maternal grandmother is Mrs. Florence Lynch. Paternal grandparents are Mr. and Mrs. Thomas Perry. Mr. and Mrs. Travis Hale are paternal great-grandparents.

WASTE PAPER can be recycled for money for the Day Care Center. Save your waste paper and take it to BCD trailer on Southeast Avenue A or call 576-3501 or 576-3566 for Wednesday pickup.

MR. AND MRS. EARL JOHNSON
... honored here Sunday

Earl Johnsons Mark Wedding Anniversary

Mr. and Mrs. Earl Johnson were honored here Sunday in observance of their 50th Wedding Anniversary with a family dinner in the home of

their daughter, Mrs. Joe E. Ford.

Attending the celebration were the couple's daughters and their families, Mr. and Mrs. Ford, Gary and Jan; Mr. and Mrs. John Edwards and James of Odessa; and Mr. and Mrs. Don J. Allen, Mike, Greg, Jonelle and Lea Ann.

Also attending were Mrs. Jay Smallwood, a granddaughter, and her daughter Barbara and Charlie Long, a friend of the Edwards, also of Odessa.

The couple married Aug. 18, 1925.

Holiday Lodge News

Holiday Lodge welcomed a new resident this week, Mrs. Iral Fannin, a long-time resident of the Hamlin community.

Rev. Marshall Stewart of the Nazarene Church held the Sunday School class and services Sunday afternoon were held by the Assembly of God Church.

The Homemakers Sunday School Class of First Baptist Church was in charge of the Bingo Game Monday evening. First Baptist Church held the weekly Bible Study Thursday.

Residents celebrating birthdays this month and their birth dates are Roy Hudson, Aug. 8, 1918; John Hayes, Aug. 11, 1894; Elmer Eagan, Aug. 14, 1893; Jimmy Raney, Aug. 14, 1908; Myrtle Bond, Aug. 28, 1893 and Norma Neighbours, Aug. 8, 1902.

A birthday party will be given Monday at 2 p.m.

After such a good response to our request for egg cartons, we now only need white styrene cartons. Thanks to every one who brought us cartons.

Anyone who wishes to do volunteer work, please contact Mrs. Buddy Lawlis. Help is particularly needed in making Christmas gifts. Call Holiday Lodge, 576-3643.

Bonnors Host Reunion Here

Mr. and Mrs. Harold Bonner hosted the Bonner family reunion Aug. 12 in their home.

Attending were Mr. Bonner's three brothers and one sister, Mr. and Mrs. T. E. Bonner of Abilene and their daughter, Miss Maxine Bonner, a school nurse of New York; Mr. and Mrs. L. A. Bonner of Bowie; Mr. and Mrs. Sewell Bonner of Snyder; and Mrs. Juanita Bailey of Forestburg.

The parents, Mr. and Mrs. Z. D. Bonner of Sweetwater, and two brothers Ruel Bonner of Waco and Owen E. Bonner of Fort Worth are deceased.

The Bride's Book of Etiquette, the complete wedding etiquette from engagement to honeymoon. \$1.45 at THE HAMLIN HERALD.

FAMILY LIFE EDUCATION—

Quest for Identity

A young adult's opinion of himself is influenced by hereditary and environmental factors.

"These influences either help or prevent development of self-concept," according to Nedy Wilburn, County Extension Agent.

Self-concept, the agent explained, involves the traits and habits an individual accepts as himself.

"In other words, one's concept of who and what he is and his thoughts and feelings about himself as an individual.

"The growth of self-concept is a continuous process. All through the developmental stages—infancy, childhood, adolescence and adulthood a person searches for identity while maturing in his personality traits," Mrs. Wilburn noted.

As a result, self-concept

develops in several ways.

For one, spirit of honesty and acceptance plays an important part, she said.

When an individual 'removes his mask' and is himself, he can accept himself more realistically and relate to others around him.

"Strong motivation for achievement is another factor. With much of our culture competitive, one's sense of self-worth largely depends on his ability to meet the demands placed upon him.

"Most of all, a young adult needs to feel he's independently responsible in his struggle for self-concept," the agent emphasized.

"Independence means a person can seek guidance from others who he considers role models—people that succeeded in their own searches.

"As such, he associates with mature adults who combine inner stability with freedom to change while continuing to grow."

FHA Chapter Breakfast Held Saturday

The Hamlin Chapter of the Future Homemakers of America met Saturday morning at 7 a.m. for a "Come as You Are Breakfast."

Special guests were the Freshman girls. Jan Ford, president, served the breakfast to the guests. Cindy White, vice-president, explained some of the activities that will take place during this club year. Mrs. Joe Wayne Carter is sponsor.

Young Women Meet Monday

The Young Women of the First Baptist Church met Monday night at 7:30 in the home of Mrs. O. H. Weaver Jr. Mrs. Weaver presented the devotional.

Others present were Mmes. Sammy Ferguson, Bobby Stubblefield, James Howard, Howard Jones, Ronnie Hill, Robert Moore, Pat Willoughby, Fred Young and Larry McCoy.

John White Visits Here

John B. White of the Children's Home in Lubbock spent Thursday night in the home of Mr. and Mrs. Harold Bonner. He and his late wife, Vera, were former teachers in the Swedonia Community in the 1940s.

He visited with friends including the Elmer Terrells and the Tarlton Willinghams. He was enroute to Austin to visit his son and family, Mr. and Mrs. John Weldon White, and then on to Tennessee to visit in the home of a former resident in the home.

Yard of Month

Mr. and Mrs. B. W. McKissack's yard, 112 S.W. 2nd St., was selected as yard of the month for August by the Hamlin Garden Club.

The Kitchen Almanac

An assortment of cheese can provide a happy ending to your company dinner, with a minimum of fuss and flurry. Just remember to remove cheese from the refrigerator early enough to bring it to room temperature.

Twenty minutes to an hour should be long enough to bring out the best in flavor and texture of cheddar and blue cheese. Bring on butter for crisp crackers, and a bowl of icy-chilled fruit.

Rare, medium or well done beef? The rule is "as you like it." For accuracy, use a meat thermometer for roasts.

Less tender beef cuts — such as pot roasts, round steak and beef for stews — are cooked "well done" to develop their full flavor and tenderness.

Use low to moderate temperatures and don't overcook.

While we're on the subject of beef, fresh ground beef is at its best when you cook it within 24 hours.

If you want a really festive dessert, try this on your guests: coffee ice cream in the bottom of the dish followed by a spoonful of creme de cocoa and a dollop of whipped cream. For the final crowning touch, add 1/4 cup of drained fruit cocktail.

Chop herbs very fine to allow

some of the flavoring oils to escape. Heat chopped herbs in melted butter and add to vegetable after it has been cooked, say USDA home economists.

If you're ever confused as to just when to use the waste disposer and when to use the trash compactor, researchers at KitchenAid appliances, one of the country's leading producers, suggest remembering this slogan: "compact the trash and grind the garbage."

Homemakers are finding the two appliances make a valuable cleanup combination. In fact, the folks at KitchenAid call them "cleanup-mates."

Staggering Statistics: The cattle population in India is 240 million head — as much as the U.S. and Soviet Union combined. On the other hand, the hog population in China is a whopping 237 million — more than four times the U.S. number. (The U.S.S.R. is in second place.)

Send your kitchen hints to the Almanac c/o Harry G. Clark (512), 173 W. Madison St., Chicago, IL 60602.

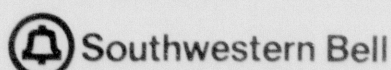

This weekend, call any other state* and talk five minutes for 86¢ or less... usually less!

*Except Alaska and Hawaii

Our weekend One-Plus rates are so low that you can talk awhile and still spend less than a dollar. For instance, a five-minute coast-to-coast Long Distance call dialed direct all Saturday and Sunday until 5 p.m. is only 86¢. An out-of-state call spanning fewer miles costs even less. If you can't wait till the weekend these same low rates are in effect every night from 11 p.m. to 8 a.m.

Where One-Plus dialing isn't available, One-Plus rates apply on station calls. If you dial direct and reach a wrong number, call the operator. You won't be charged.

Travel by Long Distance... and stay awhile.

For rates to Alaska and Hawaii, call the operator. One-Plus rates don't apply to person, coin, hotel-guest, credit card or collect calls or calls charged to another number.

Want to know more ways to save on out-of-state Long Distance calls? Return this coupon and we'll send you a free calling guide.

FROM THE FILES . . .

FIFTY YEARS AGO

(Aug. 14, 1925)

Probably the greater part of Jones County has now had nearly enough rain to finish the cotton crop. All the Hamlin territory except a portion to the south received a fine rain last Friday afternoon and night. In Hamlin and to the east and north it was the heaviest rain yet to fall this year. The recent rains, although not regular over the country, have improved conditions till it appears that Hamlin will get as much or more cotton than last season.

Last Sunday night was the closing services of one of the best meetings that the Church of Christ had had in a long time. Evangelist J. I. Reagan held three well attended services Sunday. The night service had one of the largest audiences that has assembled in a meeting in Hamlin this year. At the close, eleven joined the church, making twenty-eight in all for the meeting.

Monday afternoon when the second shower came up, there was considerable wind in the north part of town and out in the country north-west, it did quite of bit of damage on the Gray farm at J. C. Watson's home. There the out buildings were torn down and a tenant house, unoccupied, on the place where Arthur Stonesifer lives, was blown down. No special damage was done in town, but a good rain fell.

Undaunted by a small thing of getting bogged in a lonely lane all night, there was a good sized bunch of picnic boosters to leave Hamlin, Wednesday afternoon to advertise Hamlin's Annual Picnic towards the west.

TWENTY YEARS AGO

(Aug. 12, 1955)

Good rains during the next 10 days or lack of them will mean the difference between thousands of bales of cotton to farmers of the Hamlin section, especially in the areas east and north of Hamlin.

High school athletes, new football coaches, Hamlin area boosters for athletics, and ice cream all over the place; that is the program for next Tuesday evening at the oil mill guest house when the Hamlin Pied Piper Booster Club will sponsor a second get-together for the boys and men of the community. To begin at 7:30 p.m., the gathering also will mark the first official business session of the booster group according to Bill Harbert, president.

Texas' cotton crop for 1955 was estimated Monday at 3,900,000 bales, slightly under 1954's crop of 3,923,000 bales, but better than the 10-year average of 3,239,000 bales. The U. S. Department of Agriculture's first forecast of 1955 cotton production was based on Aug. 1 conditions. The figure for the nation was 12,728,000 bales.

Approval of the final estimate for street paving in Hamlin was given when the City Council met in regular monthly business session Tuesday night. The estimate was for about \$7,000 on the total paving bill of \$82,000 plus for work done since last fall by C & C Asphalt Paving Company of Colorado City.

TEN YEARS AGO

(Aug. 12, 1965)

The Hamlin High School Band will start annual summer band school on Monday, Aug. 16, at 8 a.m. Marching instruction, section rehearsals and full band rehearsals will take place, every day, Monday through Friday, for two weeks. The band will march in the annual Fisher County Rodeo parade Aug. 19 to start the year's activities. Other fall events will include football games and a trip to Dallas to participate in the State Fair Music Day.

Plans for the annual Homecoming for former students and teacher of Hamlin Public Schools were started at a meeting held Aug. 3 in the home of the president, Robert Fowler. Highlighting the Homecoming Oct. 16 will be the evening football game with the Cisco Lobos at the Piper Stadium.

Tuesday night winners in the Hamlin Duplicate Bridge Club were Mrs. Floyd Briscoe and Mrs. Preston Morrow of Rotan, first; Harry Yates of Stamford and Harvey Elkins, second; Mrs. Gene Knabel and Mrs. Ray Sonnenburg, third.

New head Football Coach Joe Youngblood announced this week that fall football practice would start Monday morning at 7:30 a.m. for the sophomores, juniors and seniors. The freshmen will meet at 4 p.m. Monday.

Plans are now underway for a barbecue at Piper Stadium at 7:30 p.m. Saturday, Aug.

21 to introduce members of the Piper football team and their coaches. The event, started last year, is sponsored by the Pied Piper Booster Club.

NEWS AND VIEWS . . .

And What Have You

— Continued from page One

trying to dismiss this as a mere publicity stunt on his part. And there may be something to this part of the campaign since Bullock is getting his name well known across the state and this is not bad for someone who just might have his eye on the Governor's chair.

But then again all of this publicity is waking up some people to the fact that those sales taxes belong to the state and the cities and that they had better remit or be closed down.

The odd thing is that many people appear to be siding with those who are being locked out rather than with the official who is enforcing the law.

After all, this sales tax money does not belong to the owners of the liquor store in San Antonio or the discount center in Richardson or the appliance store in Houston. This is money that has been collected from the customers of these stores and then, instead of being sent on to Austin, was conveniently placed in the pocket of the store owner.

Bullock has announced that he sees at least \$12 million in sight in the form of delinquent sales taxes, and the total may go even higher once the audit and investigation gets underway. This is \$12 million in taxes that the people of Texas have paid but the state has not received.

It all boils down to the matter of either getting this money for the state or else the taxpayers will just have to come up with some extra money with which to operate the state and this means that some will have to pay two dollars for every dollar that the state gets.

Like we say, the man may have political ambitions, but that is all right with us as long as he continues to get the job done that he was elected to do.

"YOU TOOK MY PICTURE... AND I WASN'T READY!"

How concerned we are with the image we present to others! And it is right that we should be. How mightily we influence others. It is so important that the self we present is one that will influence others for good.

With guidance from God we will be ready to present ourselves to the world in such a manner as to sway others toward God and all that is worthwhile and good.

"That ye might walk worthy of the Lord unto all pleasing, being fruitful in every good work, and increasing in the knowledge of God," come to His Church.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Tour Director Praises Hamlin Stage Band

The following letter was received here after the Hamlin High School Stage Band returned from their European Tour.

Mr. Bob Hawes
Superintendent of Schools
Hamlin, Texas 79520
Dear Mr. Hawes:

I am both pleased and proud to advise you that the Hamlin High School Stage Band under the very capable direction of Mr. Tim Jones was sensationally accepted by European audiences at every one of their seven concerts.

This is a most auspicious honor for the Hamlin School District and the people of Hamlin, because the other high school bands on the program were all 4A high schools.

It would be remiss of me not to mention the exceptional conduct of the boys and girls of your band. They were without a doubt, the best behaved of any of the groups. What a marvelous reflection on the Hamlin Schools and the parents of your town.

With your permission, I must say something about the chaperones who accompanied the band. The only words that I can adequately find to describe them would be to say that they are "beautiful people." My wife and I had tears in our eyes when we bid the entire group "good-bye" in front of the Commodore Hotel in New York City.

Although this was the Third Annual European Concert Tour and represents a total participation of seventeen high schools, I must admit this was the first time I felt such a close and personal attachment to any group.

The water in Hamlin must be among the finest anywhere - a great high school jazz ensemble, a superb director-musician, and a marvelous group of chaperones. This is a combination that is hard to beat; if not impossible.

Please be assured that I feel extremely fortunate and honored to have had the Hamlin High School Jazz Ensemble with me on our Third Annual European Concert Tour and sincerely appreciate your confidence in allowing them to go with me.

My primary hope is that this trip will prove to be a cultural, educational and musical milestone in the events of their life.

Sincerely,
Joseph L. Bellamah,
President
International Jazz Tours.

Attend Funeral

Mrs. Bertha Cramer of Los Angeles, Calif., sister of James and Pearl Mayes, died Aug. 7 and the funeral was held Aug. 12.

Attending the funeral from Hamlin were Mr. and Mrs. James Mayes, Garry Don Mayes, Pearl Mayes, Lola Douglas. Also attending were Mr. and Mrs. Charles Titus of Abilene and Mrs. Carol Laury of Aspermont.

Open Horse Show Reset for Saturday

The open horse show scheduled to be held in conjunction with the Jones County Fair in Anson Saturday was rained out and has been rescheduled for this Saturday.

A complete line of halter and performance classes will be held in both the open and youth shows. Two age groups in the youth show are 12 and under and 13 to 18.

Mr. and Mrs. Gary McMillan and her nephew, Casey Dean Warner, visited with relatives in Eldorado over the weekend.

Mrs. J. D. Gray of Ennis and Mrs. Ruth O'Bannon of Beaumont visited with Mrs. Bonnie Bingham over the weekend.

DON'T THROW THAT PAPER AWAY! Let it benefit the Day Care Center. Take to BCD trailer on Southeast Ave. A or call 576-3501 or 576-3566 for Wednesday pickup.

CAPITAL HIGHLIGHTS—

Governor Seeks to Avoid Major Tax Bill In 1977

AUSTIN—Governor Dolph Briscoe has assigned top priority to curbing soaring state governmental spending and thwarting predictions of a major state tax bill in 1977.

At the same time, the governor said all his political options for the future remain open, although he emphasized he is making no present plans for a third term.

Briscoe's predictions that the state can avoid a tax bill in two years fly in the face of forecasts by Texas Research League and Comptroller Bob Bullock. TRL only a week earlier said the legislature may have to raise \$750 million to balance the next budget in view of 1975 spending levels.

However, Briscoe stated: "I am optimistic that we can meet the fiscal needs of the state for a third time without new and additional taxes. We can't do it unless we try. That is our No. 1 priority. I will work toward that end."

Briscoe said he is hopeful the new Joint Advisory Committee on Government Operations will point the way to how to economize, increase efficiency and reorganize government effectively.

As for his own plans, the governor said it's too early for serious talk about a third term. But he acknowledged the subject has been discussed in private conversations — "just passing the time of day."

Hospital Savings
A new \$1.8 million state-federal program aims to save Texasns who have to go to hospitals \$14 million a year. Three centers will be established to make group purchases and collections for hospitals—the statewide center in Austin, with regional offices in Abilene and Texarkana.

The centers will try to reduce hospital management and bring about better distribution of other health personnel.

At the same time, Texas Hospital Association announced 189 hospitals have indicated they will participate in a proposed THA-backed hospital company.

Texas State Insurance Board set an August 21 hearing on the Texas Hospital Insurance Exchange application for charter.

Democrats Moving
Texas liberal Democrats are getting organized for the 1976 presidential preference primary, while, at the same

time, challenging legality of the primary.

Democratic National Committeewoman Billie Carr of Houston and others are inviting Democratic presidential candidates to a September 20 meeting here. The group calls itself "Texans for Somebody Else"—somebody else, that is, besides U. S. Senator Lloyd Bentsen or Alabama

Governor George Wallace. Ms. Carr and others filed a challenge with the national Democratic Compliance Review Commission, contesting the 1976 presidential primary act, passed by the legislature this year, was largely to help Bentsen.

AG Opinions
Notice of meetings under the Open Meetings Law must be specific on subjects to be

discussed, Attorney General John Hill held. Hill said general phrases such as "new business," "old business" and "regular business" do not meet requirements.

In other recent opinions, Hill concluded:

Comptroller Bob Bullock should not release information on amounts of sales or use taxes paid or owed by an individual prior to a "final determination."

Texas Youth Council can furnish information on child abuse cases to the Texas Interagency Task Force on Youth Care and Rehabilitation under proper limitations on distribution.

There is no state agency with authority to license facilities to store human bodies.

A landscape architect must renew his license by Aug. 31 each year to remain eligible to practice.

A paid fireman, who also serves as a volunteer fireman, may participate in pension plans covering both positions.

Appointments

Six new State Parole Commissioners are Edward Odus Johnson of Austin, Gilberto de Leon Jr. of Uvalde, Helen Copitka of Houston, Don R. Stiles of Grapevine, Paul F. Cromwell of San Antonio and Paul J. Mansmann of Fort Worth.

Reagan Houston III of San Antonio is the sixth gubernatorial appointee to the Joint Advisory Committee on Government Operations to study governmental economy, efficiency and reorganization.

R. Doug Lewis has been named executive director of the Republican Party of Texas, succeeding Zack Fisher of Memphis.

John Barclay Armstrong of Kingsville was appointed to a vacancy on Texas Animal Health Commission created by death of John Biggs of Vernon.

Philip K. Maxwell of Dallas is the new chief of Atty. Gen. Hill's Consumer Protection Division. Lee Clyburn of Conroe heads Hill's new Anti-Trust Division. Mike Barron of Groesbeck is assistant chief of Anti-Trust.

C. A. Dickerson of Rosenberg was appointed criminal district attorney for Fort Bend County and Lawrence L. Barber Jr. of Monahans as district attorney for the 143rd judicial district.

Lieutenant Governor Bill Hobby named Senator Max

Heritage Deadline Extended

AUSTIN--The deadline for mailing applications to the Family Land Heritage Program has been extended two weeks until August 31, Agriculture Commissioner John C. White has announced.

In the past few weeks applications have been coming in at the rate of five a day, Commissioner White reported.

"We have the feeling that many people are just now hearing about the Program and need more time to gather historical background on their property."

The Family Land Heritage Program is in its second year, having honored over 560 families last year for farming or ranching the same land for over 100 years. So far this year there are over 100 who have qualified.

"Some applicants do not understand all the rules for this award. Since the Program was initiated to honor people who have actively worked their land, if all the land has ever been leased to anyone outside the family, the farm will not qualify," White said.

If persons wishing to apply cannot get forms from the county judge's office, they should write John C. White, Commissioner, Texas Department of Agriculture Family Land Heritage Program, P.O. Box 12847, Austin, Texas 78711.

BUT WHAT HAVE YOU DONE FOR ME LATELY?

As power cost decreased over the years the member-owners of Midwest Electric Cooperative enjoyed lower rates. But that trend is reversed. Higher fuel costs to the people who generate our power have meant higher cost to us as well.

But the Midwest Elec. Cooperative has always provided power at its lowest possible price. That's still our promise today and for the future.

Midwest Electric Cooperative

Bids, Legal, Auction

NOTICE OF INTENTION TO LEASE LANDS OF CITY OF HAMLIN FOR OIL AND GAS DEVELOPMENT PURPOSES

Notice is hereby given of the intention of the City Council of the City of Hamlin, Jones County, Texas to lease the lands hereinafter described for the purpose of investigating, exploring, prospecting, drilling and mining for and producing oil and gas. The City Council of the City of Hamlin will receive sealed bids at its office in the City Hall of said City up to seven o'clock P. M. on September 15, 1975, when said governing board shall receive and consider any and all bids submitted for such mineral leases of said lands or any portions thereof as the City Council or governing board determines to make and in the discretion of such governing body shall award the lease to the highest and best bidder submitting a bid therefor, provided that if in the judgment of such governing body the bids submitted do not represent the fair value of such lease or leases the governing body may in their discretion reject any and all bids.

Said land offered for oil and gas lease is in Fisher County, Texas and is described as follows:

TRACT 1: Being that tract of land known as the J. T. Nipp Survey and patented to him on July 16, 1895, Patent No. 556, Vol. 27 duly recorded in the Patent Records of Fisher County, Texas in Vol. One, Page 127 and described by metes and bounds, as follows:

TRACT 2: Being all that certain tract of land, containing 41.09 acres more or less, and being a part of the Charles Gates Survey No. 353, situated in Fisher County, Texas, and described as follows, to wit:

TRACT 3: Being all that certain tract of land, containing 41.09 acres more or less, and being a part of the Charles Gates Survey No. 353, situated in Fisher County, Texas, and described as follows, to wit:

TRACT 4: Being all that certain tract of land, containing 41.09 acres more or less, and being a part of the Charles Gates Survey No. 353, situated in Fisher County, Texas, and described as follows, to wit:

TRACT 5: Being all that certain tract of land, containing 41.09 acres more or less, and being a part of the Charles Gates Survey No. 353, situated in Fisher County, Texas, and described as follows, to wit:

TRACT 6: Being all that certain tract of land, containing 41.09 acres more or less, and being a part of the Charles Gates Survey No. 353, situated in Fisher County, Texas, and described as follows, to wit:

Funeral Services Held Saturday for Mrs. Bonnie Meads

Mrs. Bonnie Meads, 80, of Anson, died at 2:50 p.m. Thursday at Hamlin Memorial Hospital. Services were held Saturday at 10 a.m. in the McCoy Chapel of Memories with the Rev. Marshall Stewart of the Church of the Nazarene officiating. Burial was in Fairview Cemetery under the direction of McCoy Funeral Home.

Daughter of the late Mr. and Mrs. William Eldridge, she was born Aug. 9, 1895, in Rose Hill, Va. She married Elmer Meads in Tuxedo in May 1916 and he preceded her in death in 1948.

Survivors include two sons, Herbert of Lueders and Dan of Big Spring; three daughters, Mrs. Bill (Thelma) Maddox of Hamlin, Mrs. Bill (Jeanne) Sorrell of Abilene and Mrs. A. J. (Lurleene) Ashburn of Hale Center; six grandchildren and five great-grandchildren. Pallbearers were Leonard Johnson, Roy Server, Corky Bond, Jerry Farnsworth, Holman Jones and Jimmy Hastings.

Jim Bob Watts New Patrolman

Jim Bob Watts, formerly a route man for Mrs. Baird's Bread, has been hired by the City of Hamlin as a city patrolman, according to Police Chief Ed Wheat.

He succeeds Clifford Jack Vaughan who moved to Stamford.

Watts and his wife Vickie and daughter have lived here 18 months.

All trailers have wood beds. (Some in need of repair) Several trailers have heavy duty steel runners.

Local Telephone Office To Close Here Monday

Southwestern Bell Telephone Company announced this week that the local business office will be relocated in Sweetwater beginning Monday, Aug. 25. The announcement was made by Bud McCasland, manager.

McCasland also announced that effective Monday, Heidenheimer's Department Store will become payment agent for Southwestern Bell in Hamlin.

"Customers who normally pay bills in person may still do so at Heidenheimer's after the relocation," McCasland pointed out. "At the same time, a customer who needs to talk to the business office for any reason may do so by dialing the operator and asking for the Sweetwater

Business office, 236-6801. There will be no charge for these calls."

McCasland emphasized that in the centralized Sweetwater office, service representatives will be available to talk with customers continually from 8:30 a.m. to 5 p.m. Monday through Friday.

"Mrs. Jo Riddle, our service representative in Hamlin, will transfer to Sweetwater and will continue to be available to provide the high quality service she has given Hamlin customers for many years," McCasland said.

The manager noted that with a centralized location, more service representatives are available to provide customer service, and the centralized force provides opportunities for specialization and increased efficiency.

Southwestern Bell's two telephone craftsmen, Melvin Scott and F. E. Turner, will remain in Hamlin to provide installation and repair service.

"Southwestern Bell is proud to be a part of the Hamlin community, and we will continue to be a viable part of it," McCasland said.

Oak Grove Sets Dinner Sunday

The Oak Grove Baptist Church will hold a turkey dinner Sunday at 12 noon, sponsored by the Senior Mission. The dinner will be served buffet style in Fellowship Hall. Tickets will be \$2.25 for adults and \$1.25 for children under 12.

The menu will include turkey and dressing, giblet gravy, cranberry sauce, black-eyed peas and corn, jello salad, hot rolls, assorted pies and tea or coffee.

The public is invited.

Riding Club Sets Meeting Today

The Hamlin Riding Club will meet today (Thursday) 8 p.m. in the Sweetwater Savings-Hamlin Branch Building.

The financial report will be given by Don Elmore, club president.

Pentecostal Church Sets Anniversary Celebration Here

United Pentecostal Church will have an anniversary service Sunday with all-day activities planned.

Sunday will mark the second anniversary of the pastorate of the Rev. Jimmy Skiles. They day of special services will begin with Sunday School at 10 a.m.

The Rev. and Mrs. A. H. Browning of DeLeon will be the preachers for the special morning worship service at 11 a.m.

The church members will have a covered dish luncheon.

The afternoon service will be conducted from 3 to 5 p.m. with the Rev. Jack Stevens of Lawn preaching. At 7 p.m. the worship service will be led by the Rev. Browning.

The public is invited to attend the services.

Visiting with Mr. and Mrs. E. L. Jenkins Sr. last week were their daughter and family, Mr. and Mrs. Donald Wright, Ricky, David and Larry Don of Ft. Worth.

Officers Discuss Plans for Annual Homecoming Here

The Ex-Students Association officers met at the Sweetwater Savings Building Monday afternoon.

The officers discussed plans for the annual homecoming set for Nov. 7 and 8. The theme, "Our Heritage: America—200 Years, Hamlin—70 Years," was announced. Clubs and organizations are asked to follow the theme when planning floats for the parade Nov. 8.

Dr. Gordon Bennett of Abilene will be the guest speaker for the Ex-Students program Nov. 8. He is a former teacher and superintendent of Hamlin Public Schools.

Secretaries are now typing up folders of the addresses of former students. Anyone having a change of address for any Ex-Student is asked to call Mrs. Frank Tucker, phone 576-3144. Work has also begun on the newsletter to be mailed to all Exes.

Those present for the Monday meeting were C. L. White and Mmes. John Ed Day, Robert Fowler, Frank Tucker, Ken Prewitt, Sam Mack Hodges, Bill Smith and Holman Jones.

The next meeting will be Sept. 8 at 5:30 at the Sweetwater Savings Building.

Philosopher Wants Market-Influencing Crop Reports for Automobiles, Tractors, Etc.

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 reflects on last week's grain crop estimate, we think.

Dear editor:

At 3 o'clock one day last week the whole world nearabout was on needles and pins to hear what the Agriculture Department estimated the U.S. grain crop will be for this year.

That is, everybody but the Russians; they apparently already knew and had stocked up on U.S. grain at a satisfactory price a few weeks ahead of time. I guess if the CIA hadn't had all its men tied up trying to overthrow governments in other countries it could have spared a few to check up on weather conditions in Russia and find out that the Soviets would be in the market for grain and let's see if we can't out-trade them just this once at least. Looks like somebody sometime would think of swapping some of our grain for some of their oil, but the trouble is they buy our grain in the summer time and it's not till winter time we find out we're short of heating oil.

But what I started out to say was that crop estimating,

which makes the farmer's grain market go up or down, ought to be applied to other things. Why should farmers and ranchers, not counting the speculators, be the only ones to grab a newspaper or listen to the radio every morning to find out whether the price of their crops and livestock has gone up or down over night?

For example, the government ought to estimate the number of cars and pickups coming out this year, so the manufacturers could wake up in a sweat every morning wondering what the market price on cars is today. The same ought to apply on estimates of oil production, tractor production, etc.

For too long farmers and ranchers have hogged the market fluctuation business. They ought to let the car manufacturers, the oil

Mr. and Mrs. Homer Raney spent last week in Lubbock visiting with Mr. and Mrs. Jay Humphreys and their five-year-old granddaughter Pamela Beth, daughter of Mr. and Mrs. Jimmy Curt Humphreys of Washington, D. C., who was visiting them. Mrs. Raney and Mrs. Humphreys are sisters.

people, etc. in on this. It makes life a lot more adventuresome.

Say, I notice somebody in Washington has found a bureau costing \$70,000 a year which has acted only twice in seven years, and there's an outcry to abolish it. Be the worst thing you can imagine. Any time you've got a set of bureaucrats you hear from only twice in seven years, I say that's the kind we need more of.

Yours faithfully,
J.A.

Goodyear Cuts Big Car Tire Prices On Polyglas Whites

\$38²⁵ | \$42⁵⁰

G78-15 H78-15 J78-15 L78-15

Plus \$2.69 to \$3.21 F.E.T., depending on size, and old tire. Special prices on other sizes too!

Custom Power Cushion Polyglas

This is America's largest selling tire, and it's featured on many 1975 model cars. The resilient polyester cord body provides big car, smooth-riding comfort. Tread firming fiberglass belts add road-holding traction. And the belted construction of this popular "Polyglas" tire really helps deliver the mileage. Our price cut makes this tire an exceptional value. The time to buy is now.

RAIN CHECK - If we sell out of your size we will issue you a rain check, assuring future delivery at the advertised price.

Use it wisely.

This is a gas meter. It's fairly easy to read and check to see if you're using natural gas wisely.

There are five dials on the meter face. The smallest dial is a test dial . . . and it's not included in the actual reading. The remaining four dials are divided into ten segments, using the number the hand has just passed for the reading. When a hand is between numbers, always use the *smaller* number.

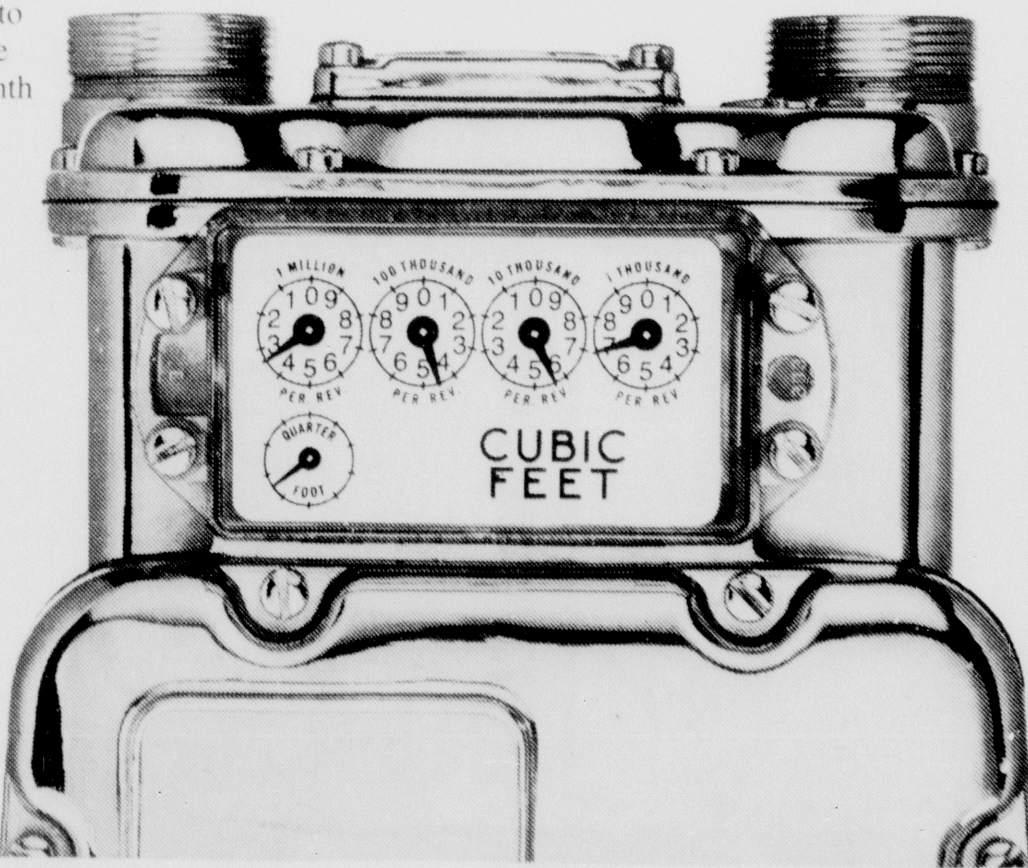

The reading for the meter pictured below would be 3 4 5 7. The last number is in "tenths," so your final reading should be 345.7 THOUSAND CUBIC FEET.

It's our intention to read every accessible gas meter every month

on or about the same day. You may want to informally check your natural gas usage each month to see how much you can save. Practicing conservation in your home is a good way to get the most efficient use of nature's cleanest, most desirable energy source — natural gas.

If your monthly home meter readings remain low, you're conserving natural gas. And today . . . that's the name of the game!
